PROFESSIONAL SUMMARY

Aspiring Web Developer with a strong foundation in building responsive, user-focused websites. Proficient in modern CSS layouts (Grid/Flexbox) and Semantic HTML. Committed to writing clean, maintainable code and eager to contribute to a professional development team.

EDUCATION

BS.c / EDU
Lagos State University
2021-2025

Analyzing problems and providing solutions for them

web development and product designing
udemy
November 2025

PROJECTS PROFESSIONAL PORTFOLIO WEBSITE

Designed and deployed a minimalist portfolio using Semantic HTML5 and CSS Grid.
Implemented a clean, "Apple-style" aesthetic focused on typography and white space.
Ensured 100% responsiveness across mobile, tablet, and desktop views.

Responsive Landing Page

Built a mobile-first landing page using CSS Flexbox for precise element alignment.
Optimized asset delivery for fast load times and high performance.

Static Dashboard UI

Developed a complex multi-column dashboard layout to master CSS Grid Areas.
Focused on UI consistency and component-based styling.

EDUCATION Self-Directed Study in Web Development | 2024 – Present

Completed intensive coursework in Responsive Web Design and JavaScript Algorithms.
.
